At the trial license screen click "Already have a License? >"

At the Let's Get Started screen go to the Use a Network license area and click Select

	PROJECT FOR CIVIL 30	ж
	Let's Get Started	
	(8) Switch user	
X	Other license types	ZA
	Select Select	
	Need a locense? Contact your license administrator to request perm	stion
	What's my license type? >	

Project Explorer for Civil 3D will open as a separate window in C3D and gives additional tools for reviewing Civil 3D surfaces, alignments, profiles, corridors, generating custom reports, and more.
